

## DATA SHEET

### BREEZER

#### FEATURES:

- Fully programmable timer.
- Adjustable intensity.
- Weekly timer with 4 daily programs.
- Up to 4 Outputs.
- Ideal to connect on the airflow ventilation.
- Compact unit ideal on Medium events, theatre, shops and 4D cinemas.
- Neutrik Powercon connectors (cable not included).

#### APPLICATION AND CAUTION:

- To perform any operation that requires opening up the BREEZER machine and going inside it, you must have previously turned it off and unplugged it from the outlet.
- Do not tilt the BREEZER machine if the fragrance cartridge has any liquid inside. The liquid could spill through the fragrance diffuser holes.
- The BREEZER machine has been designed for the described effect. Any other use will exclude Oh!FX (OHFX ENTERTAINMENT, S.L.) from any liability and warranty.
- Only use consumables intended for this use and that are duly certified.
- Do not get the BREEZER machine wet or cover it. To clean it, use a damp cloth and dry it immediately.
- If it malfunctions, do not attempt to disassemble the machine and contact your distributor. Any unauthorised tampering will invalidate the warranty.
- Only a qualified adult should operate the machine.
